Let's Broadway! A New Cabaret Series is an off-Broadway production that takes place in New York the last Sunday of each month. The show began in 2015 and since then it has become one of the largest, most celebrated cabaret musical shows in New York City.

The tribute was attended by renowned agents such as Iris Grossman (Paradigm Agency, rep. **Patti LuPone**) and **Judy Henderson** (Judy Henderson Casting CSA).

Mr. Marques directs and produces powerful and genuine performances, a delight to the audience's senses. The seductive composition and direction of musical numbers triggers emotions where the audience experience connection and catharsis. Some of the most impressive performances in the shows are from **Camila Vergasta**, **Pedro Coppeti**, Tatiana Birenbaum (Brazil), **Carla Costabile**, Valeria Llana, Victoria Raigorodsky, Tobias Arizio, Lucia Ingold (Argentina) **Cinderella Mayo** (Philippines), Carolina Ide Carvallo (Chile), Amelia Fei (Taiwan), Damien Alix-Souhabi (Canada), **Kira Leiva** (Australia).

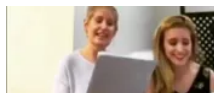

Having a multicultural and triple threat cast, the performers have exceeded expectations by showing versatility. Produzido pela Marquee Productions, companhia fundada e dirigida pelo brasileiro Rodrigo Marques, o espetáculo reúne grandes talentos do teatro musical da cidade no West End Lounge, espaço para shows no Upper West Side, em Manhattan.
